

Life Education Trust Hutt Valley
Family Bike Challenge 2011

Sunday 2 October

Trentham Memorial Park

Starts at 10am

Cost \$5

To register email harold@kendons.co.nz

Late registrations will be taken on the day starting at 9.20am.

This event is for parents, caregivers, pre-schoolers, primary and intermediate aged students.

Once registered, each rider will receive some goodies which will include their 'Life Education License'. This will be used as a record of the 'riding mileage' that is covered during the event. The riding timeframe will be extended or shortened depending on weather conditions on the day.

The course circuit is set within the boundaries of Trentham Memorial Park and riders will be riding on a mixture of flat paved and grass surfaces. Every time a rider passes through 'Harold's Pit Stop', riders will earn a stamp on their license. The aim is to collect as many stamps as possible in the riding timeframe. The course will be adapted to suit the abilities of younger participants

Prizes will be awarded at the completion of the event whilst spot prizes will be handed out by Harold throughout the day.

Harold is organising a 'decorate your bike' competition, and a bike obstacle course challenge as well!
