TAITE 22ND OKETOPA | TERM 4, WEEK 2 | ISSUE 11

NEWSLETTER

Message from The Principal
JOHN CHANNER

Kia ora whānau,

Welcome back to Term 4! It's been a busy start with trips, camps and events already occurring.

We have also started focusing on our next Fraser Value, **Enthusiastic**.
At the heart of this value is a mindset about being positive and open to new learning and opportunities. At Fraser Crescent School, we strive to make our lessons engaging, as well as having lots of fun events and activities for the students.

Where our Enthusiasm is often tested, is when things are challenging or don't interest us. It's an important lesson that not everything in life can be fun or without obstacles. Our tamariki are learning that sometimes a bit of grit and an open mind can get us through the things we don't necessarily enjoy. Whether it's a hard spelling test at school or doing the dishes at home, bringing an Enthusiastic attitude helps us endure the seemingly mundane and overcome the obstacles that come with new learning! We hope this is something you might continue to discuss/teach/model at home too!

Towards the end of the term, there are a few events that are open to the community. These assemblies are where many students will be acknowledged for their leadership or efforts with certificates etc. Please keep an eye on the Upcoming Events doc and our Facebook Page as more details are finalised int he weeks ahead.

Ngā mihi, John Channer.

IMPORTANT DATES

- **Fri 23rd Oct**

-Teacher Only Day

SCHOOL CLOSED

- **Mon 26th Oct**

-Labour Day (Public Holiday)

SCHOOL CLOSED

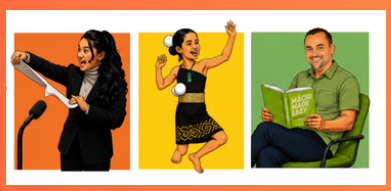

- **Fri 30th Oct**

-Home & School Halloween Disco

(**Tūī** may arrive from **6:00 pm**, **Kiwi** and **Kererū** not to arrive before **6:45 pm**; finishes for all at **8:00 pm**)

MUSAC EDGE APP

Our 'Student Management System' at Fraser Crescent School is called '**Edge**'. All caregivers need to have the app "MUSAC Edge" on their devices to receive regular updates/notices, access current and historical school reports, notify the school of absences and check in on their child's attendance percentage throughout the year.

When setting up the app, you must put in the email provided to Kathie when you enrolled your child and then click forgot/reset password.

If you do not have the app, you can log in to the website **https://parent.edgelearning.co.nz/** to access most of that information.

Recently, the app went through an upgrade. Hopefully, this change has made things clearer and more streamlined for our caregivers. If you require any support or have any questions, feel free to reach out to John or Holly.

The last date to hand in Fraser Quests is 27th November in WK 7

Increase in Driveway Near-Misses

-The staff car park beyond the palm tree is strictly for FCS staff use.

-The car park before the palm tree is for those working in the school or visiting for periods longer than an hour.

-Please avoid using the driveway for drop-off and pick-up. We have lots of access paths at all corners of the school grounds.

2027 Classes

Our staff are beginning to consider next year's classes. This is a very long and thorough process where many variables and opinions are considered. If there is something you'd like noted, please let your child's teacher or Holly know ASAP.

YEAR 5 NOHO MARAE

Our Year 5 students were so incredibly fortunate to be our first group to go on this overnight experience. Mrs Draper and the Kererū team spent months putting this trip together, and Ōrongomai were gracious and accommodating hosts. Thanks to Ihaka Whaanga, Matua Mike and Whaea Arlauen and Whaea Jamie for supporting our rōpū with kaupapa Māori. We also want to thank Fergs Kayaking and Rock Climbing in Wellington and all of the caregivers who supported our tamariki.
