Fraser Crescent School (#2844)

Enrolment Scheme Description

Effective from 9 February 2027

The development and operation of enrolment schemes is undertaken under authority granted under Schedule 20 of the Education and Training Act 2020, which describes the basis on which the Secretary's powers in relation to enrolment schemes will be exercised.

Home Zone

All students who live within the home zone described below shall be eligible to enrol at the school.

In a clockwise direction:

- The boundary begins at the intersection of River Road and Whakatiki Street and follows Te Awa Kairangi (Hutt River) north.
- The boundary continues to Pine Avenue and follows Pine Avenue to Main Street, including odd-numbered addresses only.
- The boundary connects to Main Street and follows Main Street (both sides) to Fergusson Drive.
- Travelling along Fergusson Drive odd numbers only. The boundary continues to the intersection with Hildreth Street and encompasses Hildreth Street and Argyle Grove.
- From Argyle Grove, the boundary extends through land parcels to encompass Byron Street and continues onto Shakespeare Avenue.
- The boundary connects to Whakatiki Street, encompassing Jupiter Grove.
- The boundary follows Whakatiki Street to River Road, returning to the starting point.

Proof of residence within the home zone will be required.

Each year, applications for enrolment in the following year from in-zone students will be sought by a date which the school will publish. This will enable the board to assess the number of places which can be made available to students who live outside the home zone.

Special Programmes

The school does not operate a special programme

Out of zone applications

Each year the board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The board will publish this information by public notice in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolment will be processed in the following order of priority:

- **First Priority** must be given to students who have been accepted for enrolment in the following special programme(s) run by the school and approved by the Secretary of Education up to the maximum rolls set for each programme (where applicable)
- **Second Priority:** must be given to any applicant who is the sibling of a current student of the school.
- **Third Priority:** must be given to any student who is the sibling of a former student of the school.
- **Fourth Priority:** must be given to any applicant who is a child of a former student of the school.
- **Fifth Priority:** must be given to any applicant who is a child of an employee of the school's board, or a child of a member of the school's board.
- **Sixth Priority:** must be given to all other applicants.

If there are more applicants in the second, third, fourth, fifth or sixth priority groups than there are places available, selection within the priority group must be by ballot conducted in accordance with instructions issued by the Secretary under Schedule 20, Clause 3 of the Education Act 2020. Parents will be informed of the date of any ballot by appropriate public notice.

Applicants seeking second or third priority status may be required to give proof of a sibling relationship.

Transitional Arrangements

For families of currently enrolled students with siblings not yet at school, whose addresses become out of zone as a result of the development amendment of this Enrolment Scheme.

Section 75 of the Education and Training Act 2020 states that,

"The Secretary may authorise an enrolment scheme to permit a student to enrol at the school as if the student lived in the home zone of the school if,

*in the case of a **new enrolment scheme**, the student—*

- *(i) lives outside of the home zone of the new enrolment scheme; and*
- *(ii) has a sibling who is enrolled at the school at the time that the new enrolment scheme is implemented."*

If applying for enrolment under this part of the Enrolment Scheme, the siblings name, and evidence of a sibling relationship may be required by the school.

Section 75 of the Education and Training Act 2020 sets out the definition of a "sibling" for these purposes. The school will maintain a list of students enrolled at the time of the implementation of the enrolment scheme and its adoption by the board to enable determination of eligibility to enrol under this provision.
