

LEARNING AT HOME

Mini Challenge

Make It, Bake It, or Fake It!

With a bit of time on your hands at home, now is a great time to bake or make something new. You may have done something already, or be planning to make or bake something in the next few days.

All you need to do is send a photo through with something that you have made (Make it), cooked (Bake it) or something you would like to be able to make, perhaps a pic from the internet (Fake it).

We would love to share your photos with others online. You can send in more than one photo, just be sure to let us know if you are Making, Baking or Faking it! Please email your photos to principal@frasercres.school.nz so we can share the fun things that our kids have been doing at home. Here is John Channer's example below.

Make It - A leather wallet

Bake It - Tortellini

Fake It - I'd like to weld a fire pit!
