Teacher Only Day –Friday 23rd October 2020

Thank you to all our Parents / Caregivers for their support of our Teacher Only Day. We do understand the inconvenience that the Teacher Only Days create, so it is very much appreciated that children are kept home. The Teacher Only Day provided the teachers some time in order to prepare for our FRASER competency goal monitoring which will be shared on Educa towards the end of the term.

Helmets when riding Scooters

Last week we had a very serious injury at school due to a crash between two children riding scooters. We are currently reviewing our rules about scootering, however we strongly advise parents and caregivers to make sure that children who bring a scooter to school, also bring (and wear) a helmet. This is a great habit for children to get into, then they are more likely to wear them at home, at the skate park etc.

From the Board

October Board of Trustees Meeting update

The Board has started preparing the 2021 budget, and as always, we would like any ideas from our school community. Please let us know if there are areas where you feel we should be allocating some funds. A number of reports were also presented to the Board at the October meeting. These included the Term 3 Curriculum Report, a Learning Through Play Report and a PB4L report. If you would like to read any of these reports, please send me an email at principal@frasercrest.school.nz

Teacher Only Day –Friday 23rd October 2020

Thank you to all our Parents / Caregivers for their support of our Teacher Only Day. We do understand the inconvenience that the Teacher Only Days create, so it is very much appreciated that children are kept home. The Teacher Only Day provided the teachers some time in order to prepare for our FRASER competency goal monitoring which will be shared on Educa towards the end of the term.

Helmets when riding Scooters

Last week we had a very serious injury at school due to a crash between two children riding scooters. We are currently reviewing our rules about scootering, however we strongly advise parents and caregivers to make sure that children who bring a scooter to school, also bring (and wear) a helmet. This is a great habit for children to get into, then they are more likely to wear them at home, at the skate park etc.

From the Board

October Board of Trustees Meeting update

The Board has started preparing the 2021 budget, and as always, we would like any ideas from our school community. Please let us know if there are areas where you feel we should be allocating some funds. A number of reports were also presented to the Board at the October meeting. These included the Term 3 Curriculum Report, a Learning Through Play Report and a PB4L report. If you would like to read any of these reports, please send me an email at principal@frasercrest.school.nz

The Teacher Only Day provided the teachers some time in order to prepare for our FRASER competency goal monitoring which will be shared on Educa towards the end of the term.

Helmets when riding Scooters

Last week we had a very serious injury at school due to a crash between two children riding scooters. We are currently reviewing our rules about scootering, however we strongly advise parents and caregivers to make sure that children who bring a scooter to school, also bring (and wear) a helmet. This is a great habit for children to get into, then they are more likely to wear them at home, at the skate park etc.

From the Board

October Board of Trustees Meeting update

The Board has started preparing the 2021 budget, and as always, we would like any ideas from our school community. Please let us know if there are areas where you feel we should be allocating some funds. A number of reports were also presented to the Board at the October meeting. These included the Term 3 Curriculum Report, a Learning Through Play Report and a PB4L report. If you would like to read any of these reports, please send me an email at principal@frasercrest.school.nz

October Board of Trustees Meeting update

The Board has started preparing the 2021 budget, and as always, we would like any ideas from our school community. Please let us know if there are areas where you feel we should be allocating some funds. A number of reports were also presented to the Board at the October meeting. These included the Term 3 Curriculum Report, a Learning Through Play Report and a PB4L report. If you would like to read any of these reports, please send me an email at principal@frasercrest.school.nz

Teacher Only Day –Friday 23rd October 2020

Thank you to all our Parents / Caregivers for their support of our Teacher Only Day. We do understand the inconvenience that the Teacher Only Days create, so it is very much appreciated that children are kept home. The Teacher Only Day provided the teachers some time in order to prepare for our FRASER competency goal monitoring which will be shared on Educa towards the end of the term.

Helmets when riding Scooters

Last week we had a very serious injury at school due to a crash between two children riding scooters. We are currently reviewing our rules about scootering, however we strongly advise parents and caregivers to make sure that children who bring a scooter to school, also bring (and wear) a helmet. This is a great habit for children to get into, then they are more likely to wear them at home, at the skate park etc.

Teacher Only Day –Friday 23rd October 2020

Thank you to all our Parents / Caregivers for their support of our Teacher Only Day. We do understand the inconvenience that the Teacher Only Days create, so it is very much appreciated that children are kept home. The Teacher Only Day provided the teachers some time in order to prepare for our FRASER competency goal monitoring which will be shared on Educa towards the end of the term.

Helmets when riding Scooters

Last week we had a very serious injury at school due to a crash between two children riding scooters. We are currently reviewing our rules about scootering, however we strongly advise parents and caregivers to make sure that children who bring a scooter to school, also bring (and wear) a helmet. This is a great habit for children to get into, then they are more likely to wear them at home, at the skate park etc.

From the Board

October Board of Trustees Meeting update

The Board has started preparing the 2021 budget, and as always, we would like any ideas from our school community. Please let us know if there are areas where you feel we should be allocating some funds. A number of reports were also presented to the Board at the October meeting. These included the Term 3 Curriculum Report, a Learning Through Play Report and a PB4L report. If you would like to read any of these reports, please send me an email at principal@frasercrest.school.nz
