What an incredibly busy couple of weeks we have had! Thanks to those of you who were able to make it to our whānau conferences last week. It was great to have the opportunity to see so many of you in person and discuss the achievements and efforts of your children.

Over the past few weeks, many of our students were fortunate enough to head out on class trips to Whirinaki to see the 'One City, Many Cultures' exhibition and take part in their programme for schools. We are so very fortunate to have these kinds of resources and opportunities available in Upper Hutt!

We've also been lucky enough to have 'Life Education Trust', 'Swim Save' and 'Footsteps Dance' come and work with all our tamariki to support their learning in Health and Physical Education in recent weeks. We want to say a huge thanks to those organisations!

Ngā mihi,
 Holly King

U Day for U Hub

On Friday 22 March all kura are holding a UDay for UHub because U Matter!

We are celebrating the opening of a new hub in Upper Hutt for whānau and tamariki up to the age of 12 years. This is an amazing free service that is available to provide support and resources for the Upper Hutt Community to help understand and build your child's learning and resilience. Our wonderful Learning Support Coordinator Linda has been an integral part of the start up team to get this service off the ground for our community.

We are inviting our tamariki to bring a gold coin to support UHub. On Friday 22 March we will have a UHUB dress up day. The idea is that everybody (kaiako and akonga) wear Denim and Green or Blue tops to celebrate the colours of Uhub.

We have a special 'U' activity planned for the tamariki to take part in. Check out the UHub facebook page and website for more information.

Tough Guy and Gal 24

Once again, Fraser Crescent School will be taking part in the Junior 'Tough Guy and Gal Challenge' in Wainuiomata. This event is open to students in Years 3-6.

This year we will be attending the event on Tuesday 21st May. If your child is interested in registering, there is a google form to fill out to advise us that your student will be attending the event. This can be found through the FCS Sports Facebook Page or by emailing Sarah.

In previous years we have taken a large number of students along to this event and as always we will need lots of parent helpers and transport for the day. If you are able to assist in anyway, please advise on the google form or email our sport coordinator Sarah.
